Schedule expires 9/11/17

Aquatics

Hydro Fit

These group classes help to improve flexibility for Members who are not accustomed to exercising on a regular basis and who may require rehabilitation. Classes are given in the shallow or deep portion of the pool. No registration is required. All levels.

Water Works

The focus is on strenuous endurance training to enhance swimming performance. These group classes are given in the shallow portion of the pool only. No registration is required.

Dance

Broadway Dance

This class incorporates dance-based exercise to improve strength, flexibility, and balance. Exercises include ballet, Graham, Fosse, modern, and other popular styles.

Modern Jazz

The class combines the technical foundation of modern dance with the thrill of jazz to create a unique total body challenge! We begin with a thorough warm-up that engages the core, develops coordination, and lengthens and strengthens the body. Once prepared, we learn an exciting and extensive dance phrase with movement and music aimed to inspire!

Zumba®

Conscious Movement

T'ai Chi

T'ai Chi Chuan is a traditional Chinese system of exercise and martial art. The slow, graceful movements stretch, strengthen, and relax the body. Its practice benefits the body's circulatory, nervous, lymphatic, muscular and skeletal systems as well as vital organs. It improves balance and coordination. The class includes warm-ups, breathing and stretching (*chi kung*), standing meditation, and a simplified T'ai Chi form.

Yoga—Chair

A yoga class where students are seated on chairs through most of the class. There is no floor work and limited standing. The benefits of yoga with less demand on the body.

Yoga—Hatha

These classes are designed to help students of all levels develop strength and flexibility through the holding of basic yoga postures (*asanas*). You will also develop steadiness of mind and breath through the practice of breathing exercises (*pranayama*) and relaxation. These classes will blend various styles of physical postures.

Yoga—Vinyasa

Breath-focused movement and meditation to create a flow between postures and build heat in the body to tone muscles and increase flexibility.

Complimentary Class Guidelines

No registration is necessary; just check the Class Schedule and walk in.

Please abide by the following policies:

- Do not enter a class in progress. If you are late, please check the Schedule for the next available class.
- Be considerate of other Members' space. Don't crowd a Member who has arrived before you.
- Keep conversation to a minimum as this is disruptive and distracting.
- Water must be bottled—no cups, please.
- A towel is recommended.
- Coats or bags of any kind are not permitted in the room. Please use a locker.
- While some classes are more advanced than others, all Members are welcome to attend and adjust the intensity level. If you are a beginner or have an injury, advise the instructor and modifications will be made for you.

Spin Guidelines

- You must sign up, even if the class is not filled. Sign-up must be done personally, by yourself, for yourself.
- Sign-up begins 15 minutes prior to class. No place in line may be held before this time (there is no advantage in arriving earlier).
- First name, last name, and membership number must be printed. If you are not present when class begins, you forfeit your reservation.

In addition to those listed above for Complimentary Classes, please abide by the following policies:

- One-hour class consists of Set-up, 45-minute Spin, and Clean-up. You **must** stay to wipe down your bike.
- No change of pedals is permitted.
- A water bottle and towel are mandatory.

Pilates

Pilates Mat

Based on the work of Joseph Pilates, this class combines control, centering, flow of movement, and breathing. Focus is on core exercises that improve flexibility, joint mobility, and overall strength.

Studio Cycling

Spin™

This class offers an exciting, challenging workout with a variety of intensity levels. Classes combine the smooth, low-impact movements of bicycle riding, the endurance and cardiovascular benefits of distance riding, and the stimulation and fun of group exercise. For the novice or experienced rider.

Conditioning / Cardio

Boot Camp

This challenging class is an aggressive, military-style circuit workout featuring high-intensity conditioning and power moves.

Cardio Sculpt

A strength and endurance cross-training class. The workout alternates between step and resistance intervals.

Core Circuit Training

This class has a cardio component that alternates with functional core stations (meaning not crunch, etc.) for more movement in all three planes with resistance instability or load-bearing, that challenges the inner core muscles.

Core & Flexibility

This workout focuses on strengthening the core with challenging exercises that target the rectus abdominis, obliques, transverse abdominis, and the lower back. The flexibility exercises stretch the entire body with a focus on the back and hips.

Sculpt

A head-to-toe exercise class that includes a warm-up to increase blood flow to muscles, muscle-specific exercises to tone, define, and strengthen areas such as hips, thighs, glutes, arms and abs, followed by flexibility stretches. Muscle resistance equipment such as weights, dynabands, exertubes, and body bars may be used.

Senior Sport

A strength and endurance workout with a fun movement segment followed by gentle conditioning; participants exercise at their own levels.
